

Why Your Food Choices Matter: A guide to local and ecologically grown food

Why Your Food Choices Matter: A guide to local and ecologically grown food

For Ontario: A beautiful color brochure with info about organics, ecological farming and information about what GE crops and foods are on the market. The perfect brochure for customers at health food stores, farmers markets, food boxes or anywhere that people might want to pick up some good, basic information to answer their questions. A tabloid size neatly folded into a pamphlet.
